5 NOTES

- Range Officers must move continually and quietly while observing the athletes at all times.
- Shots fired before “START”, a penalty may be imposed (6.11.1.1 i).
- Shots fired after “STOP” must be scored as misses (6.11.1.3). Note on score sheet.

5.1 Interruptions

If there is a delay of more than three (3) minutes, through no fault of his own and this interruption was not caused by a malfunction of his gun or ammunition, equal time may be allowed (on athlete’s demand and the remaining time plus one (1) minute, if during the last few minutes of the competition) (6.11.5.1). If there is a delay of more than five (5) consecutive minutes or if the athlete is moved to another firing point, the athlete may have additional unlimited sighting shots at one (1) sighting target at the beginning of the remaining time including any time extension granted (6.11.5.2).

5.2 Release of a propelling charge

Any release of the propelling charge after the first competition target is in place, without the pellet hitting the target, whether a pellet has been loaded or not, will be scored as a miss. Target remains blank - next target. Note on target (6.11.2.2).
